Volunteer Application Form

Thank you for your interest in becoming a volunteer with St. Joseph's Primary School. Our volunteers are integral to the school experience for our students and they provide an important link to the community. We welcome your inquiry about volunteering and hope you will find the experience rewarding.

APPLICATION PROCESS

1. Application form

The Child Safe Standards require schools to gather, verify and record a person's history of work involving children. The school takes child safety very seriously and for this reason, potential volunteers are required to list their entire work history and include any volunteer work involving children.

If you would like to submit your interest for a volunteer role within our school, please complete the application form and return it to us.

2. Interview

It is school practice for all potential volunteers to be interviewed prior to commencing any voluntary work. The interview is an informal discussion aimed at assessing the suitability of the person for the volunteer position, particularly child-connected work, and assessing any possible risk to child safety. It is also an opportunity for the potential volunteer to ask questions about the position and the school in general.

Potential volunteers should bring proof of personal identity to the interview.

3. Referee checks

The school takes child safety very seriously and for that reason we make it a practice to conduct referee checks for all potential volunteers to assess their suitability to work with children. The referee check is a discussion between the school and the nominated referee for the purpose of addressing the person's suitability for volunteer work and for engaging in child-connected work.

4. Pre-engagement Checks

The *Working with Children Act 2005* (Vic.) requires that any person doing child-related work, must have a valid Working with Children Check (WWCC). All school volunteers are required to apply for and pass a WWCC. If you do not already have a current WWCC, you will be required to obtain this prior to commencing volunteer work and present the WWCC card to the school as soon as practicable.

It is a school requirement that a potential volunteer engaged in some of our activities obtain a National Police Record Check. Where this check is required, volunteers will be required to present evidence that they applied for the National Police Record Check prior to commencement and provide the resulting National Police Certificate to the school as soon as practicable. The School Principal will determine the need for this requirement.

5. Induction

Volunteers are provided with an induction to the workplace as a supportive way of introducing them to the school. The induction process is an opportunity to communicate the school Vision, Identity Statements, policies and procedures to the new volunteer while introducing them to their role and work area.
